

# MODULAR POOLS

## ORIGINAL ENDLESS POOL®

*The dream of swimming at home starts here.*

Our signature pool is so compact that it's simple to maintain and affordable to heat year-round. Yet its state-of-the-art current makes it feel as long as a river; you can swim 'endlessly,' without ever making a flip turn. It's the biggest pool you'll ever need.

Install it indoors or out, in your backyard or basement, in a greenhouse or garage, in a courtyard or a corner.

With sizing customizable in 1' increments, the Endless Pool adapts to your space requirements.

With your choice of swim currents (turn the page for details) you can have exactly the swim experience you want. It's fully adjustable to meet your goals and those of everyone in your household.

**Bring the dream home**
